### **Mission Statement**

To present the good news of Jesus Christ to children in the public schools

### **Vision Statement**

To have a Kids' Life Bible Club in all elementary schools in the Western Michigan area

### **Statement of Faith**

1. We believe the Bible to be the uniquely inspired, infallible and authoritative revelation of God to mankind.
2. We believe in one God who is eternally existent and who has revealed Himself as a trinity in unity: Father, Son and Holy Spirit, three persons but nevertheless one God.
3. We believe in the deity of our Lord Jesus Christ. We believe that He was virgin-born, led a sinless life, performed miracles, died on a cross as the substitutionary sacrifice for sinful people, was buried and rose from the dead.
4. We believe in the Holy Spirit who regenerates sinful people and lives in the believers of Jesus Christ, who are then enabled to live godly lives.
5. We believe that Jesus Christ will come again personally and visibly to judge the living and the dead.
6. We believe that the Church universal is an elect company of believers, baptized by the Holy Spirit into one body, a spiritual unity. We believe that this Church has a commission from her divine Head, Jesus Christ, to proclaim His gospel to all peoples.

### **Child Safety Policy**

**Objective:** Kids' Life Bible Clubs (KLBC), a non-denominational Christian ministry to school children, recognizes its' Biblical and moral imperative to protect the children attending it's Bible Clubs by establishing a policy to ensure a safe environment, free from physical, sexual, emotional or spiritual abuse and to protect our volunteers and staff by outlining high-risk activities when working with minor children.

**Definition of abuse:** Abuse is harm or threatened harm to a minor by a caregiver or someone in authority over the minor. Harm could be of a physical, sexual, emotional or spiritual nature.

**Policy:** KLBC strictly prohibits any physical, sexual, emotional or spiritual abuse. A volunteer or staff member who is accused of abuse, will be investigated by the civil authorities. The accused person will be suspended from his/her position with KLBC until allegations are either substantiated or dismissed by civil authorities. If a staff member is accused, she/he will continue to receive pay while being investigated. If allegations are substantiated, the volunteer or staff member will be permanently removed from his/her position with KLBC. If the allegations against the volunteer or staff member are dismissed the Board of Directors will determine whether or not she/he is reinstated to her/his position with KLBC.
